## Corporate Overview

AMEX Electric is a family owned and operated company that has provided outstanding electrical contracting services in the Dallas Metroplex since 1976. We are dedicated to providing skilled craftsmanship, exceptional service and competitive pricing to our clients. Our range of experience covers many facets of both commercial and industrial construction including: financial institutes, corporate offices, warehouses and government buildings. At AMEX Electric, we strive to exceed the expectations of every General Contractor, Owner, Designer and Architect who works with us. We understand the importance of deadlines and make all efforts to complete each project on time and on budget. AMEX Electric employs a staff of electricians with combined experience of over 100 years in the electrical trade. With our experience, our customers can rest assured that we possess the tools, knowledge and courteous customer skills necessary to serve them in every way possible.
